**Dear Friends**  
**Warmth Greetings in CHRIST!**

Praise the Lord for His countless blessings on everyone of us in the past and as we have entered into 2006, FAMIN wishes you happiness and a prosperous New Year!

**.. rejoice ... with singing... (Zeph. 3:17)**

We express our pro-found thanks for all your prayers and supports for my past and the field visit to South India along with Bro. Reinhard (Reini) Bärtschi, an

elder member of our Church fellowship during November 24<sup>th</sup> until December 16<sup>th</sup> 2005. Singing and praising the Lord shows the happiness of these children of an orphan home as they are aware of the Love of God in the provisions for their daily life and walk.

**You gave abundant showers, O God; you re-freshed your weary inheritance (Ps. 68:9)**

This is the Sukumar family. The father who was a masonry worker previously and is not able to work regularly due to a surgery he had recently. Mrs. Janaki

the mother of three kids joined in a garments company and was struggling to manage the family. She is a good prayer warrior and a spiritual woman from the Bangalore Central Church, our partner. Now FAMIN is taking care of all these three kids Geetha, Sangeetha and Preethi for supporting their basic needs. Isn't it a good answer from God for Janaki's tears and prayers?.

**Train a child in the way he should go, and when he is old he will not turn from it (Prov. 22:6)**

The standard of education is not up to the

required level in the schools run by Government and managements of tea estates at Valparai. These kids are privileged to learn more than the others

and get additional help at the tuition center run by Sis.Lilly Aruldass in her home in Valparai.

**Commit your way to the LORD; trust in him and he will do this... (Ps. 37:5)**

Valparai is a small town in the mountain hills "Anamalais" at Coimbatore District. There are 56 tea and coffee estates where most of the family members are employed. The life of people with a very low income and in company provided huts is

critical. Even the basic needs for the children like food, clothing, education can scarcely be met by the parents. The emerging effects of this situations are child-labour environment, mass school drop-outs and illiterate people, anti-social criminals etc. In view of doing something towards this and protect the children and provide their basic needs, we are developing FAMIN work and assistance there. During our stay we arranged meetings and group discussions at Valparai. Please pray for the future works to be carried out at Valparai *[more information about this growing project will follow]*.

.... so that people may see and know, may consider and understand, that the hand of the LORD has done this, that the Holy One of Israel has created it. (Isa. 41:20)

Reetha, is a widow with two youths. She is also a tailoring teacher with her colleague Mercy. She is helping women to learn about tailoring and the technical part of sewing cloths in our partner project LIT/BCC in Bangalore. Both are now equipped with portable multifunctional sewing machines.

**For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace (Isa. 9:6)**

These girls are dancing to a song about the birth of our Lord Jesus. It was during the Graduation-cum-Christmas celebration held at BCC, Geddalahalli. It is our great joy to know that new graduates can get employment easier. They can also start their own business through making use of this training program - and their diplomas.

**I will instruct you and teach you in the way which you shall go. I will guide you with my eye (Ps.2.8)**

Most of the families in South India are living below poverty line and need help. Helanrani with her baby Rebecca and her husband Samuel Loveless are receiving our support. In turn, they will become a future help for their own people. We plan to have them as a houseparent for a home for boys and girls in the Tea Estates in Valparai Tamil Nadu. Pray for them also. Nandri!

**Then the disciples went out and preached everywhere, and the Lord worked with them and confirmed his word by the signs that accompanied it. (Mark 16:20)**

Here is Mr. Mani the driver of GEO, a private travel agency. He served us during a long trip travelling from morning to late evening. On

the journey, he accepted Jesus Christ as His saviour and prayed to God hopefully. This is not the only confirmation of the Lord's presence throughout our field work, but Mrs. Subhashini and Eswari at Vellakuttai and Mrs. Jaya Shree at Valparai, all are born again and they are the new fruits for the kingdom of God.

Therefore dear Friends and Helpers,

**...store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also (Matt. 6:20-21)**

From November to December 2005, I was in the territory in South India to work for the FAMIN purpose. We were even two men during this time. It is always for surveying the developing work among the underprivileged. We do it with your prayer support, hands and gifts to plant the best seed in the world - the Love of Christ.

Thus, FAMIN will be used and my next (planned) trip end of February will be beneficial again. It is a great experience to realize the daily presence of God and be safe every moment. This is my prayer and heart desire for you too.

Thanks for your fulness.
