

And it is impossible to please God without faith. Anyone who wants to come to him must believe that God exists and that he rewards those who sincerely seek him. **Hebrews 11:6 NLT**

### Dear Friends

Dear Uncle Peter Muller Graf and Aunty Sylvia

Greetings to you in the precious name of our Lord and Savior Jesus Christ.

It is been a joy to write to you after a long time. We hope you and Aunty Sylvia are doing well. We all are praying for both of you and we convey our heartfelt thanks, love and greetings to both of you. You are a great blessing to our ministry in Bangalore.

I bring greetings from all our children in **ELIM** and **EMMANUEL** and all the ladies from **SHARON**. The children have completed their first term at school and they would start their second term from October 2022. My father Bro. Christdas Moses has conveyed his love and greetings to you.

We were praying for the reconstruction of **EMMANUEL** from many years and finally the Lord has answered our prayers in 2022.

By faith we started to construct **EMMANUEL** and the Lord provided for the construction of the children home building. It is a great testimony of how the Lord provided for each floor. He is faithful in providing our needs on time without fail. We praise God for all the donors and well-wishers for their prayers and support. It is only because of His grace that we were able to complete thus far.

We have completed the construction till third floor:

Ground Floor – This floor would be used for office, kitchen, dining and place for parking.

First Floor – This floor will be used for church- children and believers and the children families.

Second & Third Floor - The second and third floor are for boy's accommodation.

The pending works are as follows: Carpentry work, Plumbing, Electric, Tiles, painting, water connections and kitchen work. We are pursuing these works and it would be completed in the coming days.

We thank you and Aunty Sylvia for remembering us every day in your thoughts and prayers. We also thank you for your prayers towards the construction of the building. Continue to pray for all of us, the building construction and the ministry in Bangalore.

Thanking You - With much love

Yours son in Christ
