Children Home for Girls **ELIM** - "Engraved in the palms of God's Hand"

All the girls in the orphanage had an opportunity to play a creative game in their play time. Clara helped to make a wooden key chain and to carve a beautiful painting or few words on the piece of wood. The Theme was: People may leave and forget us but our God has engraved us in the palms of His hands and He will never leave us nor would forget us at any cost, based on the scripture Isaiah 49:16. God's love never fails towards his children. All these girls were abandoned and abused in the

society. Many families and relatives have forgotten them and there was no love and care for these children. But our Lord Jesus Christ has restored their hope, love and everything in their lives in **BCH ELIM** family. Now the children are joyful and they have an assurance that there is a family to care for them. Kindly pray and send your support to meet the needs of the children in the orphanage. Thank you!

Children Home for boys **EMMANUEL** – "New Beginning"

Many boys have come for the first time in the home to join the **EMMANUEL** boys group for the first time. -They shared their past life story with us and it is heart breaking. They suffered for food, shelter and education and they had only one meal for a day. These boys in the slums are tempted and abused to travel in a wrong direction but by God's grace they are with a beautiful family in **EMMANUEL**. The boys testify that they had nightmares, fear, anxiety and worries. Now they are free from their worries and they depend on God for all their needs. The Home provides their food, clothing, shelter and education. The boys started a new beginning in their lives to have a wonderful future. They all are going to schools and enjoying their education. Your kind prayers and support will bring a great impact in the lives of the children in **EMMANUEL** home.

HADASSAH Ministry (HMI) – Family/children support

Bro. Felix and Sis. Veena live with their two children Edward and Catherine in Bangalore city. The father works in Manipal Hospital. Edward 4yrd is studying in Kindergarden and Catherine 3yrs goes to play school. Bro. Felix has a very low income to take care for his family. He is active in the **Hadassah** Church and worship leader. Bro. Felix had difficulty in paying school fees and to buy food provisions to the family. Bro. Felix works hard in his free time. He is riding Rapido bike (similar to auto-Rikshaw) to earn extra money for the family budget. They were praying and waiting on the Lord for His help and support. Amazingly the Lord made a way through **FAMIN**. Now, the family is blessed with the support for the two children and their daily needs. Bro. Felix and family give thanks for the monthly support to care for the needs of the children.
